EDUCATION

Qualification	Institute	Passing Year	Marks
MCA	Amity University	February 2025 - Present	-
BCA	Graphic Era Deemed to be University	June 2024	7.52 CGPA
Class 12	Netaji Subhas Public School	March 2021	69%
Class 10	Mount View School	March 2019	67%

PROJECTS

Netflix-GPT (React, Redux, ChatGPT API, Authentication)

- Developed a Netflix clone with AI-powered movie recommendations using ChatGPT API.
- Implemented authentication for registered users and used Redux for efficient state management.

Live Weather API (React, Live Weather API, Custom Hooks)

- Created a real-time weather app fetching live weather data based on user location.
- Used custom hooks and structured the project with modular components for better performance.

DevTinder (MERN Stack, JWT Authentication, Socket.io, AWS, Razorpay)

- Built a social networking platform with JWT-based authentication, real-time chat (Socket.io), and payment integration (Razorpay).
- Deployed on AWS and optimized RESTful API performance.

Bus Reservation System with Chatbot (PHP, JavaScript, MySQL, Dialogflow, Python)

- Developed a bus booking system with a chatbot using Dialogflow and Python for automated assistance.

TECHNICAL SKILLS

- Languages:** HTML, CSS, JavaScript, Java, Python
- Frontend:** React, Tailwind CSS
- Backend:** Node.js, Express.js
- Databases:** MySQL, MongoDB
- Platforms:** Linux, Windows
- Other Skills:** Git, Github

CERTIFICATIONS

- React Certificate** - NamstedeV.com (Issued: December 2024)
- Node.JS Certificate** – NamstedeV.com (Issued: February 2025)
